Montauk's "Take a Kid Fishing" Program, Now in Its Third Season, Teaches Angling Techniques and Encourages Fun

Montauk's "Take a Kid Fishing" program, now in its third season, teaches angling techniques and encourages fun, announced the Montauk Chamber of Commerce. The Free program is intended to generate more interest in fishing for kids ages 6-16. The Harbor's Captains and mates are eager to take kids out on the water and teach them how to bait, hook and clean their catches. Fishing equipment, bait and personal flotation vests are provided.

These learning expeditions take place on various dates in July and August. July dates are Tuesday July 22nd, Wednesday July 23rd and Thursday July 24th.

Children are free, however, it must be their first time ever on a fishing boat. There is a \$10 fee per one adult who accompanies the child or children. The objective is for the children to do the fishing and not the adults. Sign-ups are being accepted on Mondays, Tuesdays and Wednesday afternoons only at the Montauk Chamber of Commerce on Main Street or by emailing mcoc@montaukchamber.com. Please ask for Sharon 631-668-2428.

Visit the Montauk Chamber's Facebook page for updates on the outings with photos!
