"We are always so excited about our Concert for the Concerts on the Green," said Laraine Creegan, Executive Director of Montauk Chamber of Commerce. "So many families attend to help continue to promote our local artists and musicians in and around the East End."

Montauk Chamber of Commerce is preparing for their annual free Summer Concert Series on Montauk's Green and Gosman's Dockside Stage with the 7th Annual Concert for the Concerts on Sunday, April 26th. From 3 to 7 p.m., help the Chamber fund the summer favorite during a pre-series concert with Gene Casey and the Lone Sharks, Joe Delia and Friends, and Ray Red at Swallow East. Miss Melody will hold a special performance for children from 3:30 to 4:30 p.m. The featured artists, who will also be showcased during the summer series, generously donated their time and talent to the benefit concert.

"We are so proud to be able to continue these concerts each year," noted Creegan. "This fundraiser is just the beginning to help fund all the concerts, we also ask and encourage sponsors for each concert to help us pay the artists."

Admission to the 7th Annual Concert for the Concerts is $10 and free for children. The event will also feature a 50/50 raffle and a free children's raffle.

All proceeds from the concert support the Summer Concert Series, which kicks off on the Village Green on Monday, June 29th, with performances Monday nights on the Green throughout July and August. Concerts at Gosman's Dockside Stage take place on Sundays evenings also throughout July and August.
